

September

Welcome to a new year! We are very excited to get settled and start learning. This month we will be talking about 'All about me', health and nutrition and Shapes and colors. There will be no 4 year old class on September 20th as there is a PRO D DAY for the school kids.

What do you need?

Inside shoes: As the weather is getting rainy we ask that you child wear boots and bring inside shoes. Boots and outside shoes can be put along the wall in the hallway.

Extra Clothes: please send your child at least 1 set of extra clothes (underwear, socks, a top and bottoms) most of the time the children change because of food spills or a wet slide.

Lunches: at morning snack the children are expected to choose healthy snacks (fruit, veggies, cheese and crackers, yogurt, etc) at lunch they have their lunch (sandwich, meat and cheese, left overs etc) and more treat like snacks are saved for the afternoon (gummies, rice krispy squares, chocolate chip granola bars etc). As of now there are no known allergies, so peanut butter is fine. If this changes we will let everyone know. Also we have lots of cutlery at the centre. Please do not send your spoons and forks with your children, most likely you wont get them back.
